

**The Gospel of Matthew
Chapter 9 Worksheet**

Before you read Chapter 9, write a brief summary of what you read in Chapter 8.

Again in this Chapter, Jesus performs more miracles. Below write the miracle performed, what Jesus said, and how the miracle was performed (touch, words, etc.)

Miracle performed	What Jesus said	How miracle was performed
EX. Healed leper	Be clean	Reached out his hand and touched the leper

Who does Jesus associate with? Who questions the company he keeps?
