You may have also noticed that the translation of the pew bible does not match what is being read from the pulpit. For well over a decade we have been reading from the New Revised Standard Version (NRSV) of the bible. Also, the pew Bibles at Faith Presbyterian Church are beginning to show their wear as the result of many loving hands using them during worship for many years. The time has come to replace our old Bibles with new NRSV Bibles. We are asking members of our congregation to remember or honor a loved one with the donation of a Bible. It is an opportunity to remember/honor mothers, fathers, grandparents, our children, aunts, uncles and all those people that have helped to shape our lives through their love and presence.

Faith Presbyterian Church will order the Bibles. A donation of \$15.00 will purchase one Bible. The name of the loved one and the donor will be placed on a bookplate inside the Bible. Our old Bibles will be donated to other churches. You can complete this form and return it to the church office, use the QR code below to purchase bibles online with a credit card, or visit our webpage www.faithpcusa.org.
